

Spring Tea & Luncheon

So you want to be a hostess? GREAT!!! We NEED YOU and we THANK YOU!

Why: We want to have FUN and raise money for Safe Families for Children, a Twin Cedars Program. In a nutshell, Safe Families Tries to help kids from winding up in the Foster Care System. It works with Faith Based Communities to assist families in need, right here in our community. Brooke Bryant, the program director, will give us more information on a Sunday morning and also at the Tea.

When: Saturday, April 23 at 1 PM in the ZC.

What are we asking you to do? You're the **HOW!**

Each hostess will be asked to decorate a table. We have 24 round tables and plan for 6 people per table. We would like the tables to be as unique and individual as you. We would love for you to use your own linens, china, silver, etc. However, if you need help you may use church dishes and silverware (or mix and match them with yours). White tablecloths will be provided by the church if you need it. I'll be hitting the thrift stores to help me along. Don't be afraid to be creative. We just want it to look nice!

The church will be providing the food. Salad plates should be fine for the meal. We'll be doing little finger foods if that helps you plan. You can bring dessert plates or use plates from the church.

If you choose to prepare something special for your table that is totally up to you but not required.

Who: We will be selling tickets for \$15/person. If you'd like to sell tickets to fill your table that's fine.

You also have the option of someone buying the whole table (6 people) for \$80. We'll also be advertising and welcoming the community so we will need people willing to host our guests too! Children are welcome. We ask that children bring a teddy bear for admission.

If you still have questions please do not hesitate to ask! My mobile number is 706-616-2790 and email is Teresa@westpointfumc.org

God bless,
Teresa Futral
